Canadian Power and Sail Squadrons Escadrilles canadiennes de plaisance

RVCC REPORT TO WESTERN ONTARIO DISTRICT

March 10, 2024

This is just a quick update to advise that the 2024 RVCC materials are available from the online store at CPS-ECP. Decals and forms come in packages of 24 and are FREE. We had three Squadrons participate last year and it is an excellent way ti develop relationships in your marine community.
Coming from Windsor, I know they already have set a tentative plan in place of the various harbours, clubs and marinas they plan on approaching to do RVCC's with their boaters. You too can get that plan in place now for spring/summer action.
Also, there is a new brochure 'Pocket Guide for Boaters' available in the online store ($15 for 100) that makes a great handout to any of the boaters you interact with.
Questions on the program, please contact me.
Thanks.

Respectfully submitted,

Joe

Joseph Gatfield, JN
RVCC Officer
Western Ontario District
