Squadron Commander's Report = March 10, 2024

We had a very busy 2 months.
We enjoyed the Bus trip to the Toronto Boat Show with the Tillsonburg people. Thank you Tillsonburg, for sharing with us.
At the end of January 26-28 we manned a booth at the Lifestyle Home show and promoted our courses and CPS-ECP and what we do in general. It was good.
We ran a successful Radio Course with 12 students and 9 have successfully passed with 3 who have yet to write.
We have in progress Boating 5 with 6 students, Weather Course with 4 students, Boat and Engine Maintenance with 7 students, Extended Cruising with 9 Students, Sail Course with 4 students with Goderich teaching the course. Thank you Goderich. We appreciate that we were able to co-list with you.
We have a Radio course in person at Hully Gully on March 23rd – 5 have registered to date.
We have a PCOC course at Hully gully on April 6th – 3 have registered to date.
On Feb 22-24 we participated in Hully Gully's boat show open house. 980 radio was advertising us as well as others on site. We offered a free PCOC course as a prize offered on air for call ins. It was a great success.
On Feb. 11th we had Cam and Heather Stevens do a presentation on the Great Loop. It was very detailed and interesting. A wonderful Sunday afternoon.
We are having a RVCC event on June 1st at Kanagio Yacht Club in Port Stanley.
Our AGM has been scheduled for on May 9th at the Kinsmen Community Centre.
Thank you squadrons and District for supporting and working together by co- listing, advertising, etc.

Respectfullu submitted,
Alice Baratta
