# HELP

Did you take that New Year's challenge?

You know, the one that said you would try to help in 2019?

Your organization needs members to help on the executive,  
only a few hours a month and not every month.

We also need members willing to help with classes....whether it  
be room set up, proctoring or even teaching a class or better  
still, teaching a course. If we had more teachers we could offer  
different courses.

If you took that challenge, contact Murray Thompson at:

[mrthompson15@gmail.com](mailto:mrthompson15@gmail.com) or 905-515-8712

and offer your **help**.
