DRY ROT

Recreation Vessel Courtesy Check (RVCC)

Would you bet \$200?

That's the cost of a fine for not having the required safety equipment in good working order on your boat. Let CPS-ECP volunteers help you beat the odds.

We will check your boat for free... and if you have everything you need, you'll get a Safety Inspection Sticker*.

If you don't have everything... we will explain exactly what you should have on board so you can be sure to win that bet.

And once you are boating safely, you're not just saving \$200 - you could be saving your life.
