**Socials:**

As of March 2020, CPS-ECP National has mandated that all squadrons cease any squadron-related social interactions in person until further notice.

Reserved Belcarra Picnic Shelter #1 for the day of Sunday, September 5<sup>th</sup> 2021 of the Labour Day long weekend to coincide with a Bedwell Bay raft-up. As per the Public Health Officer, Dr Bonnie Henry, we are restricted to 10 persons maximum at this point. We hope that by late summer the restrictions will be lifted somewhat and National will allow CPS-ECP gatherings.

St Patrick's Day Zoom party was a success with 28 members attending (20 windows open). The trivia game was a great idea (thanks Mike!) and the prize won by Greg and Michelle was a heaving line donated by Barb and Glen Blake (Thank you both!). Much fun discussion and great reminiscing of travels to Ireland.

Reserved Belcarra Picnic Shelter #1 for the day of Saturday September 5<sup>th</sup>, 2020, of the Labour Day long weekend to coincide with a Bedwell Bay raft-up. CANCELLED, monies returned in full.

Respectfully submitted,  
Mandy MacGillivray
