Commander Jenn Mattich and Fellow Bridge Members,

Re: Annual Membership Report
Coquitlam Membership

It has been a challenging year sorting out the Active paid, Active unpaid, Associate, Life and Student members not only because of Covid-19 but also because the CPS website was to get up and running and working properly.

In the end it all worked out and Coquitlam's current membership consists of

61 Active Paid Members
 3 Associate Members
13 Life Members
 2 Student

Throughout the year I attended several Bridge Meeting held in the Cyberspace Residence via Zoom that went smoothly and, actually, were fun. However, I am looking forward to the day when Bridge Meetings may be held in person again.

Respectfully Submitted,
