

EXECUTIVE OFFICER AGM REPORT TO WESTERN ONTARIO DISTRICT

April 20, 2024

I attended most District and Exec meetings virtually or in person for 2023-2024 as District Executive Officer. It was a pleasure over the past 5 or 6 years or maybe it's even longer to represent the District Commander and even the Chief Commander when unavailable and to participate in the District Awards program and sponsorship. Unfortunately, as the number of our squadrons dwindles, so do the number of awards submissions. I am looking forward to retiring from the Executive Committee to allow others to grow into a role I am sorry I didn't really want (DC).

Thank you to all volunteers from our District as well as friends and family who made Vision 2023 a HUGE success. Without all of you this does not happen and you are all such an amazing team that just jumps in and makes it happen. We do throw a good party.

I am hoping you will consider travelling to Trois-Rivieres in October. This may in fact be our last face to face National Conference. Once in Montreal, there will be a shuttle or if you prefer to rent a car, it's about a 90 minute drive from Montreal. And you might just see a repeat of our Friday night casual mingle... with a "Licence to Chill".

Next up is the Landezvous at Joe's Cottage in June. This is a fun and informal day and I hope you can all make it. Friends, grandkids, and spouses, are all welcome so please register soon!

Looking forward to my next exciting role for 2024/2025.

Respectfully submitted,

Tracie Berekoff, P
Executive Officer
Western Ontario District
