

PMPSS Squadron Manual

Policy & Operations Manual

IMPLEMENTED NOVEMBER 17, 2015

Revised March 31, 2018

This Policy Manual is provided as a guide to users as to the policies and operations of Port Moody Power and Sail Squadron. Nothing in this Manual may be contrary to the CPS-ECP By-laws or Board Regulations. This booklet is reviewed yearly in January to update any changes that may be necessary.

1.0 POLICY DEFINED:

Policies and Operations Manual are guidelines for Port Moody Power and Sail Squadron Officers and members as a whole. They are part of our overall mission of the Squadron and its general fundamental operation. Policies and Operations in this Manual are intended as a broad statement addressing how Port Moody Power & Sail Squadron (PMPSS) conducts operations from year to year.

Policies are created by a majority vote of a quorum at a Squadron Executive Committee meeting or a Bridge Meeting.

1.1 CPS-ECP POLICIES:

The policies of CPS-ECP so noted on the Web Based Admin System (WBAS) form part of this policy manual.

1.2 MANUAL POLICY CHANGES:

Policy changes after the date of acceptance of this document will be added to or shown as amendments to a policy reflecting the date of the meeting and minutes effecting the change or addition. Date changes to this Manual will be reflected under Section 5.0.

1.3 MANUAL POLICY REVIEW:

This Policy Manual, at a minimum will be reviewed annually in the January meeting of the Bridge. The Commander will form a review committee, set the review date and place on the agenda accordingly. The composition of the Policy Review Committee will be the Commander, Executive Officer and 2 Past Commander's and 1 new member on the Bridge.

1.4 BRIDGE STRUCTURE:

The following Officers are elected or appointed at the Annual General Meeting and are recommended through the Nominations Committee formed on that Squadron year.

Elected Executive:

- Commander
- Executive Officer
- Education Officer
- Administrative Officer
- Secretary
- Financial Officer
- Membership Officer
- P/Commander (not elected)

Officers recommended for election by Nominations Committee:

- Advanced Education
- Webmaster
- Socials Officer
- Assistant Socials
- Editor
- Cruise master
- Supplies Officer
- Public Relations Officer
- Communications Officer

Appointed by Nominating Committee:

-
- Financial Review Officer

Appointed by Commander

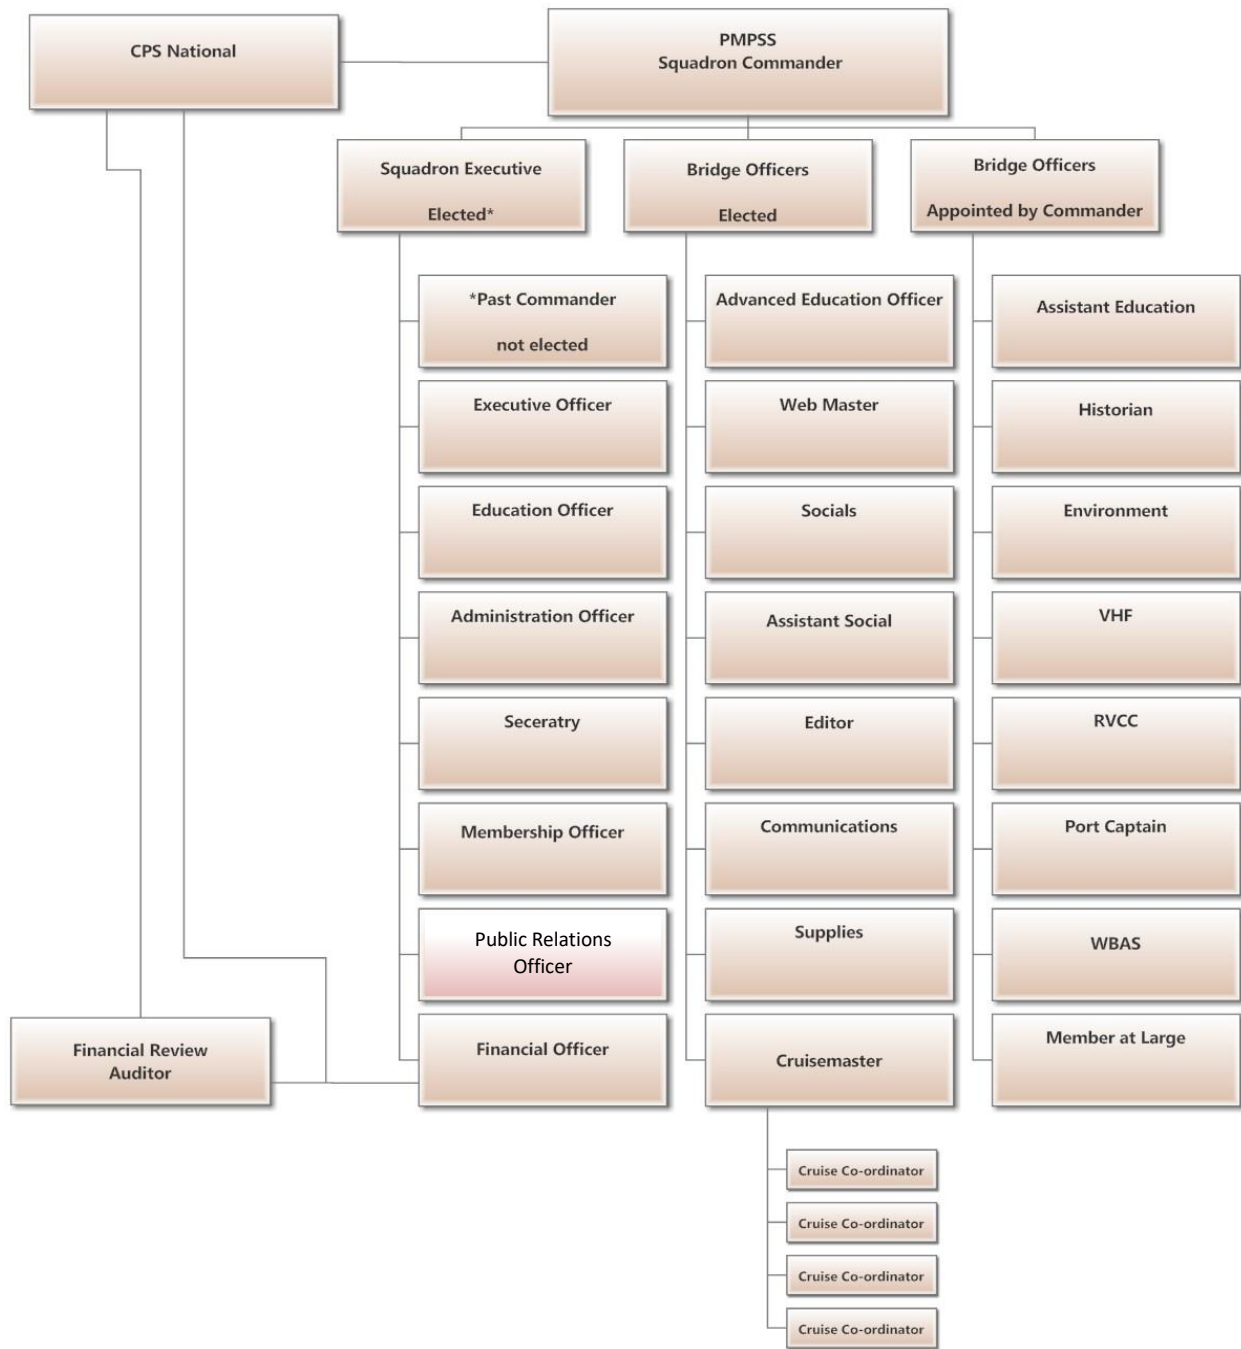

- Assistant Education
- Historian
- Environment Officer
-
- PCOC Officer
- VHF Officer
- RVCC Officer
- Port Captain
- WBAS Officer
- Member(s) at Large

Officers on Nominating Committee

- Past Commander (Chair)
- P/Past Commander
- Current Commander
- Executive Officer

*NOTE: Please see CPS-ECP Board Regulation 7.1.6 for committee guidelines.

1.5 ORGANIZATION CHART

1.6 VOTING PRIVILEGES:

All officers elected and appointed have a vote on all items presented at Bridge Meetings. Executive Meetings would consist of the elected officers only.

1.7 MEETING FREQUENCY:

1.7.1 SQUADRON ANNUAL GENERAL MEETING (AGM):

The official fiscal year of Port Moody Power & Sail Squadron (PMPSS) is from April 1st, to March 31st. As a nonprofit society, PMPSS holds the Annual General Meeting once per year as required under the Societies Act and by CPS. This is held usually in the last two weeks of April and usually held Willy’s Galley at Reed Point Marina. Quorum required is 10% of membership or 10 members, whichever is less.

1.7.2 CHANGE OF WATCH (COW):

This is a celebration of our new Bridge and recognition of the previous Bridge’s Officers efforts for the year. It is usually held the last week of April or 1st week in May, but after the Annual General Meeting.

1.7.3 BRIDGE MEETING:

This is held at the call of the Commander to assemble the Officers of the Bridge. Discussed are newsworthy items, concerns and Officer Reports. These are held every 3rd Tuesday of the month usually 9-10 times per year (September-November, January-May/June), usually held Willy’s Galley, Reed Point Marina, at 19:00 hours. Quorum is 50% of elected Officers and any Past Commander by acclamation.

1.7.4 COMMITTEE MEETINGS:

Held when called by Committee Chair and location is decided by Chair convenient to all committee members i.e. Burrard Public House. Committees are formed as needed to share ideas and determine tasks to successfully accomplish squadron activities and events.

1.8 MEMBERSHIP FEES

In 2017, a CPS-ECP regular membership is currently set at \$37.00 and \$18.50 for family member. The Squadron charges \$25.00 and \$12.50 per Regular member and family member. Rates may change from year to year.

Member	CPS		PMPSS		Total Membership Fee
Regular	\$37.00	+	\$25.00	=	\$62.00
Family	\$18.50	+	\$12.50	=	\$31.00

Any non-member, who successfully completes a CPS-ECP course and is interested in membership, will be given the first year free. The rationale behind this policy is to give the new member more opportunities to interact with the squadron and see the value of membership. Further it will counter membership attrition and improve retention. The squadron will pay the \$35 first year preferred membership rate to CPS-ECP and waive the squadron portion.

2.0 SQUADRON POLICIES:

2.1 FINANCIAL

It is the policy of the PMPSS that the Bridge has the authority to authorize the expenditure of funds for the purpose of preparing and distributing information to the membership and general public regarding the courses, events and benefits of PMPSS, provided that nothing contained therein is for the purpose of influencing the outcome of an election.

2.1.1 SQUADRON BUDGET

As a non-profit society, the Squadron must have no more than 1 year's operating budget. It is recommended that the Bridge does not operate in a deficit budget.

Operating budget is determined each year by estimating operating costs for the last 3 years. If revenues are over the estimated amount, additional remaining funds are dispersed at the discretion of the Bridge with first consideration given to education equipment, aids and safety needs.

In January, Commander/Finance Officer sends out funding requests to Bridge Officers to ask for their initiatives and needs.

This budget is eventually adopted by the incoming Bridge in May who may accept or modify before approving in general.

2.1.2 PACIFIC MAINLAND DISTRICT

PMPSS currently pays \$1 per member for the Pacific Mainland District's Annual General Meeting per year, usually in March for the Change of Commander Event and on the following year for the AGM only will be at the discretion of the Bridge.

2.1.3 CPS-ECP NATIONAL CONFERENCE

PMPSS will pay for the Commander or designate to attend the CPS-ECP National Conference which includes the full conference package fee, and any travel and accommodation expenses.

The conference is generally held near the end of October in varying cities across Canada.

Registration should be made early to take advantage of any early bird discounts to save the squadron's money.

2.1.4 DONATIONS TO THE SQUADRON

The Squadron can accept donations from any entity directly. If the donor wishes a tax receipt for income tax purposes, payment must be made payable and sent to CPS-ECP, accompanied with a letter of intent from the Squadron. CPS-ECP will electronically refund the donation back to the Squadron's bank account and issue a tax receipt to the donor.

2.2 STORAGE UNIT

Squadron promotional materials, event decorations, signage and historical records are stored at Barnet Self Storage located at 1090 Falcon Dr, Coquitlam, BC V3H 4B5, Unit #_____.

A passcode (4684833) is required to enter the gated premises, and a key is required to enter the unit.

Bridge members authorized to have a key are:

- Commander,
- Administration Officer,
- PRO,
- Socials Officer,
- Environment Officer,
- Historian,

- Supplies Officer,
- Education Office

RVCC Officer

Outgoing officers are required to return their keys to the Administrative Officer or give to the incoming officer.

The unit is rented on an annual basis and has a financial impact.

2.3 PUBLIC RELATIONS & COMMUNICATIONS

The Executive Committee believes it is the responsibility of each Bridge Officer, as well as each member of the PMPSS, to actively pursue a public relations program that promotes effective squadron partnerships and highlights the educational and membership benefits provided by CPS-ECP. The following policy on Public Relations has been established to provide the framework for the establishment of public relations functions and to demonstrate that PMPSS 's commitment to effective public relations is supported at the highest levels of the organization.

The Executive Committee recognizes that members have a right to know what is occurring in their squadron; that bridge members have an obligation to see that members are systematically and adequately informed; and that PMPSS ultimately benefits from ensuring that members get all information, good and bad, from the squadron itself.

To this end, the Executive Committee affirms the following:

2.3.1 Communications System

PMPSS shall maintain an effective two-way communication system between PMPSS and its various constituencies which ensures:

- Dissemination of accurate, timely information about PMPSS policies, cruises, courses, activities, procedures, achievements, decisions, critical issues, etc;
- Explanation of decisions and actions taken by PMPSS;
- Minimization of rumors and misinformation;
- Programs and practices designed to provide an open climate which elicits ideas, suggestions, reactions from the membership and Bridge Officers alike;
- An effective working relationship with the news media.

The Current communications system employs various National, District and Squadron platforms to meet different user and event needs and preferences:

- Websites,
- email,
- Newsletters,
- Facebook private group pages,
- Facebook public pages,
- WhatsApp Mobile Messaging
- .
- Twitter Feeds,
- Flickr Photo sharing,
- Commercial trade magazines
- Surveys
- and District Roster

2.3.2 Public Relations Function

PMPSS shall maintain a public relations function that will coordinate PMPSS's communication efforts. This function shall be carried out under the immediate supervision of the Public Relations Officer to ensure that public relations efforts and resources are fully understood and utilized by all Officers and Volunteers among their various duties and operations.

2.4 REGALIA

CPS Regulation 2.5 FLAG AND PENNANTS each member or associate may fly the flag and pennants of CPS-ECP in accordance with such protocol as the board may from time to time adopt.

Officer Flags: will be available at the Bridge meeting in May and are provided by CPS-ECP and the Squadron.

Sales: Regalia must be available with samples i.e. t-shirts, flags etc. at every squadron event.

2.5 EDUCATION

Course pricing: is set by the Education Department with the exception of Boating 1, 2 & 3 as PMD usually sets a minimum price and then the Education Department can set the price higher if they wish to. Advanced pricing is usually set to cover the costs based on a minimum number of students to cover the rental of school and supply costs. Advanced classes may be combined with other squadrons or PMPSS may take students from other areas if a squadron cannot run a class.

2.6 POLICY ADVISORY COMMITTEE TERMS OF REFERENCE

PMPSS Policy Advisory Committee, a duly authorized committee or Port Moody Power and Sail Squadron (PMPSS), a squadron of Canadian Power and Sail Squadrons in the Pacific Mainland District (hereinafter the Committee).

Purposes:

The primary purpose of the Committee is to provide reasoned guidance and advice to the Bridge in matters pertaining to the business of the Squadron and its practices.

It is a secondary purpose of the Committee to provide clarification of existing bylaws and policies governing the PMPSS and to provide interpretation of new directives and bylaws, if requested to do so.

A tertiary purpose of the Committee is to support the Squadron by proactively recommending issues that in the opinion of the Committee warrants consideration by the Bridge.

Notwithstanding the above purposes, the Committee specifically has no power to enact any Policy recommendations that is the responsibility of the Bridge.

Deliverables (specific outputs required/requested of the Committee):

The Committee shall report to the Bridge on matter(s) under consideration in the form of written Policy recommendation.

The Policy recommendation shall consist of an outline identifying the matter under consideration, the majority decision of the Committee, the voting results and the rationale.

(It may be expected that the Bridge will table the Policy recommendation as a motion, set the Policy recommendation aside, refer the matter back to the Committee for additional consideration or refer the matter under consideration that initiated the Policy recommendation to another organization/committee as the Bridge sees fit.)

Scope/Jurisdiction:

By the nature of the Committee purposes, the Committee has unlimited scope within the business of the Squadron.

Guidance from the Bridge/Squadron:

The Committee will consider such matters as are put before it by the Bridge.

The Committee shall undertake to request additional information as needed in order to obtain sufficient clarity on the matter(s) before it prior to rendering a Policy recommendation.

Resources and Budget Allotment:

It is not anticipated that any significant Resources or Budget Allotment will be necessary for the normal functioning of the Committee. Notwithstanding, the Committee shall request Resources and Budget Allotment from the Bridge on an as-needed basis.

Member Qualifications:

The Committee shall be authorized to function by the Bridge and consist of the following members:

- currently elected Executive Officer, who shall Chair the Committee
- immediate Past Commander
- 3 additional squadron members in good standing having
- A minimum of 5 years serving on the Squadron Bridge or
- A minimum of 8 CPS-ECP merit marks.

The positions filled by the Executive Officer and the Immediate Past Commander are automatic and require no appointment by the Bridge.

The 3 additional positions shall be filled by volunteers having the stated qualifications, subject to the approval of the Commander as per Squadron Model Regulations.

Member Terms:

The Executive Officer shall serve on the Committee for the term of their office as Executive Officer.

The Immediate Past Commander shall serve on the Committee for as long as they are Immediate Past Commander.

The additional members of the Committee shall serve on the Committee until the upcoming Annual General Meeting, after which they may volunteer to serve on the Committee subject to the approval of

the new Commander. There is no limit to the number of times a volunteer member of the Committee may volunteer to serve on the Committee.

Current Members:

Current members of the Committee are detailed in Schedule A: PMPSS Policy Advisory Committee Members for the current year.

Governance:

The Committee shall ensure that all policy recommendations adhere to the CPS-ECP and Squadron Bylaws. The Committee shall meet and set meetings as it sees fit.

Shared information, such as plans and contact information may be held by any and all Committee members. The Committee Chairperson shall retain the official copy. All copies of shared information shall be held confidential and be relinquished to the Squadron Executive on demand.

Communications relevant to the business of the Committee which take place outside of Committee meetings or Bridge meetings shall be made privately in person, by telephone, by direct mail or by direct email. Such communications shall not be posted. This applies regardless of whether communication is between Committee members themselves, between Committee members and the Bridge, or between Committee members and other squadron members.

For the year 2011, ending at the Squadron Annual General in 2012, the members of the 1st PMPSS Policy Advisory Committee were

Bruce Leavitt, Executive Officer, Chairperson, Glen Anchor-Immediate Past Cdr, P/Cdr Chris Gordon, P/Cdr Doug Cousins, Sukru Yigit

2.7 MEMBERSHIP

Any person, upon successful completion of any CPS course, or PCOC by another provider, is eligible for full, regular or family, membership. A member is considered in good standing by renewing their membership and paying the annual membership fee when due.

Any non-member whose contributions directly benefit PMPSS or the fellowship of PMPSS, may become an Honorary Member without paying dues.

As per section 9 of the Membership Officer's manual, an "Honorary Squadron Member" shall mean a person so appointed by the Squadron Executive Committee according to Section 4.12 of the Model Squadron Regulations.

Honorary members do not have any voting privileges and are not eligible to receive any CPS-ECP benefits or Merit Marks. They are eligible to attend PMPSS member events, and receive PMPSS member benefits that are both within the authorization of PMPSS to give.

2.8 MERIT MARKS

Any member who has volunteered a minimum of 20 hours of service to any PMPSS function in a calendar year is entitled to one (1) merit mark.

Bridge Officers and event coordinators are responsible to submit their and volunteer hours to the Commander.

The Commander is responsible to input/register volunteer hours with CPS-ECP.

CPS-ECP is responsible to approve and maintain the history of all Volunteer Merit Marks and issue the certificates back to the Squadron.

Merit Marks certificates are issued to the Volunteers at the Annual General Meeting or Change of Watch formalities in the following calendar year.

Twenty (20) merit marks entitles a member to free lifetime membership.

2.9 PMPSS INITIATIVES

Any regular member of PMPSS is given the power or opportunity to pursue, plan and promote something that will help achieve the objectives of PMPSS, as long as it does not violate any CPS-ECP regulations.

Any new initiative needs to consider one or more of the Operations Guidelines in Section 3.0.

Initiatives do not need approval from the Bridge unless it requires a policy change or funding that is not provided for in the budget, however out of courtesy and to garner support, it is recommended to give an account of the initiative, and it's benefits, to the Bridge.

3.0 OPERATION GUIDELINES:

For any meeting, event, or initiative of PMPSS, the following operating requirements need to be identified and coordinated with and/or by the PRO, and other Officers and Volunteers as needed:

- Date, time, location of event.
- Timeline: Dates of tasks and who will complete both before during, and after the event.
- Agenda & timeline for Guests Speakers & Volunteers: who does what, where and when during the event.
- Invite List: General Public, Dignitaries, squadron members, volunteers, Instructors, proctors, Bridge, Committees, all CPS members, other squadrons, District Officers, past members, media, etc
- Advertising Network: website, Facebook, email, phone call, news agency, etc.
- Advertising Material: Printed and/or digital: Posters, flyers, brochures, graphics, images, signage, banners, etc.
- Event Supplies: Lead forms, Guest book, name tags, surveys, forms, pens, cash box, certificates, plaques, awards, prizes, citations, regalia, decorations, table supplies, refreshments, caterers, etc.
- Financial: An Admission Fee or Free - Rental costs, supplies, advertising, etc. If funding is not in the budget and not self-funding, it will need Bridge approval (motion) to finance it. To determine self-funding "Admission Fees", add up pre-determined supply and advertising costs, and divide by the number of estimated attendees. Then round up to the nearest \$5...should be easy to pay by those with cash, and looks good in print.
- Post event: tear down, reports, lead follow up, thank you letters.

3.1 PACIFIC MAINLAND DISTRICT MEETINGS

Commander attends meetings. When he/she cannot attend the Executive Officer would attend in their absence or the Education Officer. Executive Officer may attend a meeting prior to his election as Commander to be better informed of the District Meeting. Meetings are usually 1st Monday of every 2nd month commencing in September – June. No expenses are covered for District Meetings.

Commander will submit reports, back to the Bridge, outlining the topics discussed by the District Bridge Officers and Squadron Commanders at the meetings.

3.2 SOCIALS

Socials Events and Planning Manual – is a resource tool of information for Social Director and its positions. This manual is held with the Socials Director and updated from time to time.

Socials must have a minimum of 6 8 events per Bridge year:

- 2 On the Water Student Cruises
- 2 Student Grads
- COW
- 2 Social Gatherings-Spring & Fall,
- Remembrance Day. (See Appendix A for further information.)

3.3 CRUISING ETIQUETTE

On the matter of etiquette and cruising, all members partaking in Squadron boat outings should insure they maintain proper boating etiquette at all times. It is not in the scope of this Manual to fully document what all that entails, but members are encouraged to avail themselves of the many documents available on-line pertaining to the subject. One is posted by one of our own Cruise Masters on our web site.

Proper etiquette pertains not only to raft ups and marinas, but while underway as well.

Remember, you're flying our burgee...or should be! And if you run aground, make sure the first thing you do is take it down. But seriously, watch your wakes! Make sure you are following all the ColRegs and provide assistance to others, whenever possible. Ensure others know that you know how to do it right, by your actions!

There are a few important items that all members should be vigilant about to ensure everyone within the group enjoys our boat outings, and that our activities do not bring poor discourse or judgment from other members of the boating public.

- Respect other people's privacy.
- Keep smoking of any type to areas that will prevent smoke from drifting into other boats, especially important when in a raft up.
- Watch the volume of your music, appreciating that not everyone will enjoy your particular taste or genre.
- Watch the volume of conversation, sound travels well over water.

- We welcome families. Please be mindful of behaviors while children are present.
- If in doubt...DON'T.
- And remember: Good cruising is the result of proper planning, informed execution, communication and cooperation. Let's hope that every PMPSS cruise makes us look forward to the next one.

3.4 SPRING TUNEUP AND SAFETY DAY EVENT

The Spring Tuneup and Safety Day event is jointly operated with neighbouring squadrons, namely Burnaby and Coquitlam at Reed Point Marina in Port Moody.

The event is part of the Public Relations program that sports a booth at a venue with volunteers, promotional & membership material, displays, and conducts a series of sub-events such as:

- the RVCC program,
- Fire Extinguisher testing (Steve Van Gaalen),
- Flare Disposal,
- Swap Meet,
- Cooking demonstrations
- Virtual Trainer
- VHF Radio Simulations,

and other topics and services the event coordinator feels is of interest to boaters and will attract attendees.

The event ties in well with the National Safe Boating Week (May 19-25 2018). With the start of boating season and boaters planning for a long weekend cruise, we should be busy. Plan one (1) event on either of the first two weekends of May before the long weekend. on a Saturday or Sunday morning and afternoon

3.4.1 SPRING TUNEUP & SAFETY DAY EVENT OPERATIONS MANUAL

A resource guideline For RVCC Officer and PRO, see [Appendix G](#).

3.5 RECREATIONAL VESSEL COURTESY CHECK (RVCC) EVENT

The RVCC program is a Transport Canada Program that CPS-ECP has an agreement with to carry out. Volunteer inspectors need to be certified by Transport Canada to conduct official checks. Certification is arranged by the Pacific Mainland District RVCC Officer.

This event not only promotes boating safety; it is a great marketing opportunity to promote CPS-ECP and its programs to the general public. As the RVCC program runs during the spring and summer, it should help create interest for the fall courses, and the VHF course.

This program can be a stand-alone event, or held during the Safety Day event shared with fellow squadrons.

The target venue of the stand-alone event is the Boat Launch at Rocky Point in Port Moody. Small boat operators are the most at-risk group of boaters. The target dates to hold two summer events would be 3rd weekend of June and the 3rd weekend of July, both before the long weekends.

The event is under the direct supervision of the RVCC Officer (the point person).

3.5.1 RVCC DAY EVENT OPERATIONS MANUAL

A resource guideline For RVCC Officer and PRO, is, see [Appendix F](#).

3.6 COMMANDER'S SAILPAST - Protocol & Procedures

Generally held in May and follows the COW. Avoid scheduling on Spring Tuneup Day or May Long Weekend.

Commander to start planning 4 weeks in advance...beginning of April.

Commander can choose to hold a complimentary breakfast before the Sailpast, or a lunch following the Sailpast. If a lunch, it is traditionally held in Bedwell Bay with premade sandwiches and variety of beverages. Breakfast can be held at Willys. In the past there have been occasions where squadron volunteers made breakfast with the Commander flipping pancakes. Costs for either should conform to predetermined budget; check with Treasurer.

Commander coordinates with Communications Officer and Webmaster to invite and inform members via the various squadron communication mediums, with the Sailpast Writeup and itinerary.

Commander coordinates with Cruisemaster to organize the Skipper's Meeting. Skipper's meeting, establishes the sailpast salute to the Commander, and any other verbal sailpast instructions.

3.6.1 Protocol Writeup for Members – Email, Newsletter, Website

“Sailpast is one of the most traditional events of the squadron and is an opportunity to see and experience the strength and vitality of the squadron in action, as well as an opportunity to pay respect to our current and past commanders and to the centuries old tradition that all of us are part of.

What to Wear:

Yachting tradition requires all members to be in full regalia including jackets, ties and crests, but the PMPSS recommends this dress only for the Commander and officers on the Flagship, and relaxed dress restriction for the rest.

Skipper's Meeting:

The Sailpast is preceded by a “Skippers Meeting” where skippers will be given verbal instructions on the location of the flagship, the order of the various vessel in the review, the interval between boats (usually two boat lengths), the VHF Channel to monitor for ship to ship communication, and other relevant sailpast directions.

Also, at this meeting, the PMPSS salute for the incoming Commander is devised and communicated (all in good fun!)

The Salute:

Protocol demands that a flagship be anchored with the Commander and hosts on deck to receive and return the salute. Vessels sailpast the flagship with the Captain and ship's company, dipping (lower to half staff and then raise again) or manually unfurling (unroll) their colours (Canadian flag), and issue the salute. Keep a reasonable distance off of at least two boat lengths for safety. The salute should commence one boat length before reaching the Flagship vessel and continue for one boat length beyond.

Post Sailpast:

After passing the Flagship Vessel, and depending on the sea state, it is preferred that vessels round up and break off toward open water at least until all vessels in the fleet have passed through the review.

Members & guest are invited to a social raftup hosted by the Commander. Upon arrival dress ship (fly your flags, burgees, streamers, signal flags etc...whatever you have...Dress it up!)”

3.7 Student Cruise

Offered as an On-The-Water Practicum of the Boating 3 Course.

Dates Set by the Education Department according to the Fall and Spring course schedules

Education Officer coordinates with the Cruise Master for securing Volunteer Skippers and vessels. Generally 3-4 students per boat. Cruise Master assists with Raftup and end of cruise in Bedwell Bay.

Education Officer coordinates with Socials officer to provide lunch and refreshments for attendees within budget.

Education Officer coordinates with PRO & Membership officers to promote PMPSS membership.

Event invitation priority is given to Education department volunteers, students, then general membership.

3.7 Student Grad

Offered after the completion of the Boating 2 & 3 combined course.

Dates Set by the Education Department following the Fall and Spring courses completion.

Education Officer coordinates with Socials officer to secure venue, and provide light appies and refreshments for attendees, within budget.

Education Officer coordinates with Membership officer to welcome new members and hand out new member kits.

Education Officer coordinates with PRO to promote membership, benefits, and other courses.

Event invitation priority is given to Education department volunteers, students, then general membership.

3.8 Remembrance Day Service Event & Policy

The Remembrance Day Service is put on by PMPSS for the members and families of PMPSS, special guests, and to the civic service personnel and residents of Anmore and Belcarra.

This attendance base basically fills the number of people that PMPSS can comfortably accommodate both on the dock, shoreline, and the food service at the picnic area.

For this reason, the Bridge has adopted the policy that we do not wish to increase the attendance by advertising the event to the general public.

3.8.1 REMEMBRANCE DAY SERVICE HANDBOOK

A resource guideline for the Remembrance Day Service Committee, [see Appendix A](#)

4.0 SQUADRON BRIDGE OFFICER POSITION DESCRIPTIONS

4.1 COMMANDER Elected 1 Year Term

Reports to District Commander

Job Description:

The Commander is the Senior Officer of the Squadron and Chairperson of the Executive Committee.

The Commander is in command of the fleet when the boats of the Squadron are assembled.

The Commander is responsible for the success of the administration of the Squadron and for seeing that the members conduct themselves in the manner set out by the By-Laws of CPS.

Responsibilities:

4.7 PUBLIC RELATIONS OFFICER - Elected 1 Year Term

Reports to Commander

The Public Relations Officer promotes the good name of CPS, and also attracts potential candidates to our *boating courses*, and other classes and seminars available to the general public.

Obtaining students for any *boating* class can be seen as the main goal of the Public Relations Officer. However, recruiting successful students as members, involving them in the Squadron's social program, fun, and long-term retention are equally important aspects of the job. The PRO also plays an important role in bringing former members back to Squadrons by informing them of new activities, both inside and outside the Squadron, and inviting them to rejoin. Remember public relations involve proactive communications both inside CPS to Squadrons and Districts, and outside CPS to the public and like-minded organizations.

Duties involve advertising, marketing, and sales. Each Squadron Commander, and/or Squadron Executive Committee, may have his/their own ideas of what direction the Squadron should be taking for any given year. It is important that you understand their views, and do not develop an opposing program. Also, get a "feel" for what other Officers think should be done, and draw on their good ideas.

Responsibilities:

- Ensure that all files are received and that the duties of the office are fully reviewed (Read the PR Manual from start to finish.)
- responsible for the planning and administration of the CPS-ECP Public Relations Program within the Squadron

- Prepares publicity materials using examples in the PR Manual
- Work with Squadron Communications Officer and Webmaster to coordinate PMPSS's communication efforts in print or digitally by email or on the website and Facebook member and advertising pages.
- Requests an adequate budget for promotional material and advertising campaigns
- PRomote Squadron and its courses to the public;
- PResent information about CPS to new members;
- PReserve material about public relations activities for your successor; to increase
- PRide in CPS and your Squadron among members; and
- PRofit, so your Squadron can continue operating for the benefit of future generations of boaters.
- Followup on leads (for courses, membership, volunteer interest) generated from squadron events
- Participates in Officer Training Programs

4.13 CRUISE MASTER (CM) Elected 1 year term

Reports to Commander

Job Description:

The Cruise Master position and duties is an important position in the Squadron which covers all Cruising Events for PMPSS. One of the key functions in the Squadron and one that keeps it vibrant is the cruising that is done as a group.

Cruise Master will put out the cruise calendar as soon as possible in the New Year so members can plan vacation time. Ultimate destinations can be decided at a later time by the incoming Cruise Master with input from their chosen Cruise Coordinators and other members.

Communication to the membership

To keep cruises as well attended as possible, it's important that the Cruise Master maintain a high level of communications with the members, with regular updates about the cruise schedule and other boating events by using:

- Emails (Send press ready info to Communications Officer)
- Website (send press ready into to Webmaster)
- Facebook Private Group– Cruise master or coordinator: Create an Event page and invite members, ask for boat info from those “going” to help with raftup configuration.
- Smartphones - PMPSSr's WhatsApp Group

Cruise Coordinators

Cruises have become large social gatherings in their own right and as such have added considerable work load to the position. To alleviate this, the 2015-2016 bridge approved the addition of Cruise Coordinators. These positions are appointed by the elected Cruise Master.

The number of coordinators is up to the Cruise Master but it is recommended to have at least one for each of the major cruises of the year.

Cruise Master should ensure every cruise has a designated “Raft Master”; this does not have to be the Cruise Master, but must be a knowledgeable individual capable of not only assembling a raft up, but able to select an appropriate spot to assemble it. A Raft Master is also helpful at marinas in getting boats to appropriate locations; as such they should be knowledgeable about the boats partaking in the cruise or raft up.

Although not mandatory, a key feature to help keep cruises well attended is a cruise activity. Any PMPSS member or honorary member can volunteer to be a part of your Cruisemaster team and can initiate any number of activities during a cruise. Activities should be customized to suit the attendees such as children or teenager. Some activities are of course only available at certain cruise locations and times. Activities that have been successful and considered Best Practises are:

- Group Theme days: Mexican, Pirate, Toga, Hawaiian, Gilligan’s Island, Country, Groucho Marx Glasses
- Dinghy Poker Run
- Survivor, Bowen Island
- Breakout Fishing Derbies
- Crab Meister Contest
- Wine Tasting Contest
- Card Tournaments
- Golf Tournaments
- Dockside Movies
- Potlucks
- Scavenger Hunts
- Marina Harbour Pub crawls
- Hikes
- Dinghy Ballet
- Harbour Dinghy Tours
- Appy Hour
- Geocaching
- Beach Parties
- Lobster Fest
- Skipper’s Meeting
- Dine-Out Breakfast, Lunch or Dinner

Cruise Events

The following represents the minimum cruises expected to be arranged:

- Easter,
- Victoria Day,
- 1 or 2 week cruise in July,
- 1 or 2 week cruise in August and
- Labor Day.

Some other cruises that have been arranged in the past include:

- Vancouver Boat Show - False Creek/Quayside Marina in January,

- Almost Spring Cruise
- Indian summer cruise
- Weekend get-away to Bedwell or up the Arm.
- Small Boat Cruise

Cruise Master is to help at other squadron events such as:

- the November 11 Remembrance Day Service event at Belcarra,
- Sail Past
- On the Water Practicums – Student Cruises
- and other events as requested.

Although, it's not a squadron event the Cruise Master should be prepared to offer assistance with the carol ships in December due to the large number of members partaking.

At any gathering, be it on land or at sea, the Commander is the ranking officer, but the Cruise Master is looked to, to insure boat outings are properly arranged and proper etiquette is maintained.

Attend an Officer Training Program.

Students shall not be allowed to write more than 1 accredited exam within the same day & the administrator may supervise no more than 20 candidates at any 1 time & for 20+ students another person is required to administer the exams or the additional students asked to leave and return when there are less than 20 students.

Examination Protocol:

A copy of the exam protocols must be available at the exam site for administering the exam and for agents of Transport Canada to review.

All elements of the exam protocol also apply to all exams administered over the internet.

Regardless of the exam format, no exam can be administered in the student's private residence.

Transport Canada will not hesitate to take enforcement action in the instance that an exam is being administered outside of the approved exam protocol.

This exam protocol is approved based on the competency of operators of Pleasure Craft Regulations and is in effect until the Regulations are amended.

The exam protocol for Canadian Power and Sail Squadrons meets the requirement of the Competency of Operators of Pleasure Craft Regulations and is approved by Transport Canada (December 2007)

- 2012 > 195
- 2017 > 150

6.6 FOOD QUANTITIES TO BUY

(2010 spent \$293.32)

- 200>224 hot dogs (6>7 packages 32 hot dogs) 300 is too many
- 2 large mustards 4-5 large onions, pre-chopped
- 4 jars relish 1 bottle ketchup
- Chili recipe ([see 6.6.1](#)), 30 quarts 10 bags potato chips
- 4 boxes brownies
- Tim Horton's (2010 spent \$241.92 coffee and hot chocolate)
- (get Timbits donated and coffee/hot chocolate)
- Tim bits 4 big boxes 120 cups hot water tea or hotdogs
- 180 cups hot chocolate 120 cups coffee

2010 we asked for a donation from Tim Horton's. Very willing to do so, provide donation letter requesting exact quantities 1 month in advance. Pick up early in the morning (helps them too as they have the morning rush)

EM: timhortonscruiser@telus.net book year in advance if you want delivery to Belcarra Park

Angela Hazelton, Community Cruiser Coordinator

PH: 604-309-7454

FX: 604-870-2991

Lois, Manager, Tim Horton's - Eagle ridge, Coquitlam

Cell #: 604-377-3534

Store #: 604-944-2637 (Manager - Thurs is AVITA; Manager - Fri/Sat - JB or MILIND)

6.6 FOOD SERVICE DIRECTIONS

- Get there by 9 am to start the unloading process and set up.
- Tables will need to be wiped down if not cleaned and the cloths put on them.
- Start heating the chili and keep on low.
- Use two of the long tables for the food. Set up a beverage area away from the food so you don't get a jam of people.
- The dockside ceremony (of which you will see nothing) is finished up by about 11:15.
- People will start making their way up from the pier and to the covered picnic area. So Lunch has to be ready by then.
- There is NO electricity available at the park so everything has to be pre-cooked and kept warm. It is usually a very damp and wet day.

6.6.1 PMPSS CHILI RECIPE

Make the chili the night before because it will keep warm all night. It is too much chili to try and refrigerate. Make sure you bring it back to the simmer and let it simmer for at least 20 minutes to be food safe. (see Recipe below)

This makes approximately 30 quarts that will feed 100 - 1 cup servings (1 full ladle)

Ingredient

- 3 kg ground beef
- ½ tsp ground chilies
- 7 large onions – diced
- ½ cup chili powder, mild
- 1 – (2.84 litre) can diced tomatoes
- 6 large peppers or 8 medium, red & green – diced
- 2 – 28 oz. cans kidney beans, drained and rinsed
- 24 – 425 grams cans Stagg Chili (Silverado)
- 4 tsp ground cumin
- 3 tsp smoked sweet paprika
- 4 tsp oregano
- 1.5 kg frozen corn

Instructions

- Heat 40 qt. pot and add some canola or olive oil till it's heated.
- Add ground beef and using a potato masher, break up and cook till no pink is left.
- Add the ground chilies and mix in.
- Let cook till some of the water is steamed off and then add the chopped onions.
- Add the chili powder and mix in and again cook till the liquid is reduced.
- Add the diced tomatoes and peppers and mix.
- Add the beans and the chili and mix.
- Add the following 3 seasonings.
- Bring up till its bubbling and turn down.
- Let the stew simmer for an hour or two.
- Add the frozen corn, mix and bring back to a slow simmer for another hour.

Make sure you have a stirring spoon large enough to get to the bottom and simmer on low to discourage burning.

Note: we use the pre-made Stagg Chili because it is already pre-seasoned etc. to make the whole batch from scratch would require a much longer cooking time and way more steps and ingredients subsequently, more preparation time.

6.7.2 HOT DOGS

The hot dogs are roasted in the oven at home. Preheat with boiling water, disinfect and clean cooler. Once the wieners are ready, pile them into the heated cooler and they are ready to go. At the park, they are put into a chafing dish and served from there. Make sure you bring thermoses of hot water (from Tim Horton's) OR bring a kettle to put on the cooker to heat water for the chafing dish.

6.6.3 VEGGIE TRAYS

if wanted - For the veggie trays purchase of broccoli, cauliflower and carrots from Costco. Also purchase grape tomatoes and cucumbers and cut up. This is WAY cheaper than purchasing the veggie trays ready to go. Use "helluva good dip" from Costco. (2010 didn't do this)

6.6.4 EQUIPMENT LIST

- Tablecloths
- Ladle for Chili
- Dish towels
- Tongs for wieners
- Dish cloths (to wipe down tables)
- Sterno pots
- Garbage Bags
- Cooler for pop & water
- Propane tank
- Propane cooker
- Chafing dish
- Matches/lighter
- 8" Plates Stir Styx
- Bowls
- Spoons
- Napkins
- Cash Box (Financial Officer has)
- and sign \$5 per lunch

7.0 APPENDIX B- SOCIALS EVENTS & PLANNING MANUAL

This manual is meant to be a guideline for Socials Director positions as well as the Assistant to the Socials.

7.1 MEETINGS

Having a meeting with the outgoing and incoming Socials Director is a must. You must have knowledge of any socials events that have been booked or reserved. Inviting other Bridge members is a good idea or gather other important dates from the Commander, Executive Officer, Education Officer, Cruise master and any other potential events. Once dates have been confirmed by all, then notification should be sent to all involved by e mail and by way of report at the first Bridge meeting.

7.2 BOOKING VENUES

Firstly, book AGM/COW location immediately. You may need to come back and advise that you can't *get* the event for that time period and have to do an alternate date.

Once venue location is confirmed, they may want a deposit to hold the date and a rental fee for the dock and picnic areas. Request written confirmation of the rental and deposit required. You will then need to contact the Financial Officer for the deposit cheque.

Remembrance Day - Belcarra Park picnic facilities needs to be reserved at least 2 months in advance. Park staff ensures restrooms are open, need to tell them you want burners, water and clean up before and after.

Picnic facilities are used to make chili, hotdogs, and hot chocolate. Food is by donation usually \$5 per person.

It always rains, plan for rain. The ceremonies will be down at the docks and a number of boats will come in.

7.3 EVENTS

Minimum annual socials events the Squadron is involved in & approximate time periods:

Event	Time Period	Kind of Event & Usual Location
Fall Socials	Mid October	Dinner, Dance, Potluck, Theme: Halloween, Octoberfest etc.at pub, hotel, restaurant
Remembrance Day	November 11	Boats & Public - Belcarra Park
<ul style="list-style-type: none"> On the Water (Student Cruise) Student Grad 	Oct/November Nov/Dec	Students, Proctors, Instructors, Members Welcome – Bedwell Bay
Spring Socials Commander's Ball	Mid-April	Dinner, Dance Potluck, etc @ pub, hotel, restaurant
AGM/COW	April	Members -
<ul style="list-style-type: none"> On the Water (Student Cruise) Student Grad 	April/May	Students, Proctors, Instructors, Members Welcome – Bedwell Bay
Commander's Sailpast	May	Members – lunch/breakfast

It is expected that all socials events should break even with ticket sales and 50/50 draws. This will not happen for the Annual General Meeting (AGM) and Change of Watch (COW)..but try to offset it with advanced ticket sales and 50/50 draws to keep expenses down.

7.3.1 ON THE WATER PRACTICUMS (STUDENT CRUISES)

Fall and spring this is done for the benefit of the “Boating 3” students, Instructors and Proctors. Check with the Education Officer to see how many boats are going out and how many students. This will give you a guesstimate of the amount of sandwiches to order, ice and pop to bring. This is a non-alcoholic event. Membership is invited to demonstrate fellowship.

7.3.2 FALL & SPRING SOCIALS

This is usually for the benefit of the members getting together. Not many students come. You may want to attend the Boating class to encourage them to attend. Try not to do Valentine's Day or weekend too close to it as the attendance will not be as good.

Advanced ticket sales are recommended for this event, as you require money paid prior to the event as commitment is required to ensure catered numbers are guaranteed.

Do not take promises from members unless you absolutely trust them to pay up. Many times we have found that commitments are not kept and the Squadron is out of pocket for the expenses.

It will be necessary for an Assistant to call members to get a commitment of attendance. Past experience, the best way is sell tickets is at the Easter Bowen Island cruise as you have 4 days to secure the sale of tickets and/or promises. Money can be squared up later, but most members pay at this event.

Student cruise is another place to sell to new students and encourage them to come.

Proctors can help here as well or come to the school prior to the cruise and talk about the event. Student grad also is a good place to sell tickets.

As monies are collected, keep a list of the names, ticket numbers as it will be needed to check names off at the door of the COW event. Remember that students may have a discounted ticket.

Lifetime members come free (not including spouses) as well a Pacific Mainland District representative and their spouse. This must be coordinated with the Commander as the final numbers for catering needs to be considered for Socials.

7.3.3 REMEMBRANCE DAY MANUAL

For Commander and Socials is a resource guideline, see [Appendix A](#).

7.3.4 AGM & COW

This an official meeting, volunteer recognition and change of watch proceeding, followed by a social mingling with complimentary refreshments. Officers will give verbal reports, Volunteers will receive their Merit Mark certificates, plaques and citations and the new bridge will be voted in and pledged by a District Representative.

[See APPENDIX D for Committee Meeting Notes and Recommendations.](#)

7.3.5 COMMANDERS BALL

This is a formal spring social event for members and guests. Includes toasts and introductions of the new Commander and Bridge. The Bent Brick & Prop, Green Jacket presentation is made before the band and dancing commences.

[See APPENDIX D for Committee Meeting Notes and Recommendations.](#)

7.4.6 COMMANDER'S SAILPAST

Generally held in May and follows the COW. Commander may ask Socials to help with either a Squadron breakfast at the marina, or raftup lunch

7.4.7 STUDENT GRADS

Fall and spring this is also done for the benefit of all the students, Instructors and Proctors. Check with the Education Officer to see how many are going. This will give you a guestimate of the amount of snacks to order. Check budget. Venue can be at a pub or suitable venue with, or without alcohol. Membership officer announces new members and gives member kits and then are welcomed by the Commander and membership.

7.5 Supplies – Storage Locker Barnet Highway (need to obtain a key)

Check out the supplies in the storage locker. There is different tablecloths, liquor, mix, decorations. Having knowledge of what is there ensures that you don't spend money if it's not necessary. If you buy decorations and they need to be stored you will need to remember that the storage locker only has so much space.

8.0 APPENDIX C- GRANDFATHERED INSTRUCTORS

(List from May 23, 2011)

11 APPENDIX F - RVCC DAYS

Good For You! If you are reading this, chances are you have been elected as the RVCC (Recreational Vessel Courtesy Check) Officer. Congratulations—you are about to ensure boaters have the required equipment to boat safely. This RVCC Squadron handbook is a check list of tasks provided by CPS-ECP, and when followed they should easily lead to a successful and well run event.

RVCC Event Checklist

The following are guidelines for creating and executing your RVCC Event.

4 WEEKS PRIOR TO EVENT:

- Secure your event site. Request collaboration with Reed Point Marina using Marina Letter on CPS-ECP's website. Advise the City of Port Moody Parks Department of the event by calling (Waiting for info writeup from Dave Reed).
- Contact and schedule 3 or 4 RVCC inspectors
- Contact and schedule 1 or 2 RVCC helpers to fill out forms, schedule inspections, etc.
- Train additional inspectors by having the watch this video and sign declaration:
<http://www.smartboater.ca/rvcc/>
- Login and use the free tools and resources available on the CPS-ECP website
 - Order online any name tags and shirts for inspectors
 - Order online any RVCC Stickers, forms, kits, Lead Cards etc,
 - Download and fill out the "Invite" Template and Save As a PDF and JPG.
 - Download and fill out the "Reminder" Template and Save As a PDF and JPG.
- Coordinate with PRO and identify any marketing or giveaway items and order appropriate quantities.
- Coordinate with PRO and Print a good supply of Squadron Fall Course Schedules and brochures.
- Find out when the next newsletter will be distributed, and if within 2 weeks coordinate with Editor to include the Invite PDF/JPG in it.

- Have your SEO post your event on the CPS-ECP Course and Event Calendar under “Courtesy Check” Here is a video tutorial on how to post an event:
http://www.youtube.com/watch?v=LzqMiM_WIOE
- Coordinate with Webmater or self-create the RVCC event on public facebook page. Use the graphic above for cover photo.
